AUTOMAXX ELECTRIC SCOOTER BUDGET RANGE

Introducing the revolutionary Automaxx Electric Scooter, your perfect companion range for agile city travels! Seamlessly blending cutting-edge technology with affordability, this electric marvel is designed specifically for the savvy commuter.

Glide effortlessly through bustling streets with its whisper-quiet motor, while the ergonomic design ensures a comfortable ride every time. With the Automaxx Scooter, experience unparalleled convenience and efficiency, making your daily commute not just a necessity but a delight. Act now to be a part of this electrifying change and take advantage of our direct-to-customer sales program sweeping across India, offering exceptional value without compromising quality. Upgrade your travel today and join the electric revolution!

AUTOMAXX VB26 ELECTRIC SCOOTER LITHIUM 48V NON RTO

The Automaxx VB26 is a sleek, budget-friendly electric scooter designed for stress-free city commuting. Since it's a non-RTO model, you can hit the road immediately without a license, registration, or insurance.

Powered by a durable 48V Lithium battery, it offers a smooth 60-75 km range and quick charging. With smart extras like keyless entry, anti-theft alarms, and a one-touch rescue mode, it's a practical, "no-paperwork" solution for daily runs in Bangalore, Chennai, and Hyderabad.
