

AUTOMAXX VB26 ELECTRIC SCOOTER LITHIUM 48V NON RTO

The Automaxx VB26 is a sleek, budget-friendly electric scooter designed for stress-free city commuting. Since it's a non-RTO model, you can hit the road immediately without a license, registration, or insurance.

Powered by a durable 48V Lithium battery, it offers a smooth 60-75 km range and quick charging. With smart extras like keyless entry, anti-theft alarms, and a one-touch rescue mode, it's a practical, "no-paperwork" solution for daily runs in Bangalore, Chennai, and Hyderabad.
